16 June 2005

Dear Dr R. V. Lapshin

Your paper was among the top 20 most popular papers of 2004.

I am sure you will be delighted to hear that your article 'Feature-oriented scanning methodology for probe microscopy and nanotechnology' published in *Nanotechnology* during 2004, was among the most highly downloaded articles in the journal last year.

We would be delighted to consider future contributions from you.

Best wishes

Dr Ian Forbes
